

# Paideia Academy - Free On-Site Learning Plan:

Executive Order 2020-51 requires all schools to make a *“physical space available to students who need a place to go during the day”* as long as the physical space does not exceed health and safety guidelines outlined by the Centers for Disease Control. Schools are directed to partner with local community-based organizations such as Boys & Girls Clubs or YMCA to meet help this requirement. Paideia Academy is making the Cafenasium available until it reaches its capacity of 80 scholars. Families requesting a physical space for their scholars will be directed to the Boys & Girls Club.
