**Field Trips**

Parents must sign a written permission form for their child(ren) to participate in field trips. Field trips are an extension of the Paideia campus and all academic and behavioral Codes of Conduct apply while on the field trip. While on field trips, scholars are required to follow all policies and rules that apply at school. Scholars who are transported by the school are under the authority of the operator of the school

approved vehicle and all other supervising adults. Scholars who ride school transportation to the field trip location must return via school transportation to Paideia.

Field trips are a great privilege provided by Paideia Academy to compliment the learning experience of the scholars in coached projects. Scholars who have demonstrated inappropriate or disruptive behavior in the classroom or on previous field trips may not be allowed to participate in the trip ***at the sole discretion of the Principal.***

Parents, volunteers, and all who supervise scholars on field trips must read and sign our “Volunteer Agreement” prior to the trip. Chaperones and volunteers must speak English or bring a translator to facilitate supervision responsibilities. Only preapproved adult chaperones may ride school provided transportation ***if room permits.*** Non-chaperoning adults must provide their own transportation. Siblings of scholars and other children may not ride school provided transportation, and should not accompany or join the class on field trips, which are for the benefit of scholars in the class.

Food is provided on field trips that extend over a normal lunch period. Scholars should not bring food onto the bus. If the scholar has a special dietary requirement, please notify the teacher and the scholar’s food will be marked and kept with the field trip lunches.
