## **Technology Use and Code of Conduct**

Use of technology is a necessary, innate element of the Paideia Academies educational mission. Even so, technology that is provided to staff, scholars and parents is a privilege, not a right. Paideia Academies seeks to protect, encourage and enhance the legitimate uses of technology by placing fair limitations on such use and sanctions for those who abuse the privilege. The reduction of computer abuse provides adequate resources for users with legitimate needs.

Public technology that includes but is not limited to computers, wireless & LAN access, electronic mail, Internet access, Telephone/Voice Mail systems, printing devices and all other forms of instructional, networking and communication tools are provided as a service by Paideia Academies to scholars and parents. Scholars and parents are expected to observe the following:

1. All users are required to be good technology citizens by refraining from activities that disrupt the educational experiences of their peers, or can be considered as illegal, immoral and/or unprofessional.
2. The scholar and parents are ultimately responsible for his/her actions in accessing technology at Paideia Academies.
3. Failure to comply with the guidelines of technology use (as stated either in this document or in the Paideia Academies acceptable use policy) may result in the loss of access privileges and/or appropriate disciplinary action.
4. Severe violations may result in civil or criminal action under the Arizona Revised Statutes or Federal Law.
5. Vandalism of technological devices in any way will result in loss of technology privileges and could result in financial charges to the parent/guardian to replace or repair broken devices.

See the Paideia Academies acceptable use policy for scholars and parents for the complete guidelines and rules.
